

Immaculate Heart of Mary News

Congratulations to IHM Students: Gavin Cunningham, Regan Moore, Eva Short, and Sarah Sagar.

These IHM student athletes recently competed in the 2012 Knights of Columbus Annual Free Throw Shooting contest held at

Immaculate Heart of Mary. In January these four students won their age division which qualified them to move on to the district level. On February 19th they competed in the Knights of Columbus district competition at IHM and went on to win their age divisions again. They now qualify for the Knights state level free throw competition to be held in March.

Good luck to everyone and we all wish you the very best at state!
